

Women's mistakes in a bed

There are some mistakes in sexual act that are never accepted by escort ladies of Gia agency. But those mistakes are common for ordinary women. So, let's discuss them **here** to avoid making them in the future.

But do not panic! Those mistakes are not very serious, but some of them we should urgently talk over.

1. As a general rule, in sexual intercourse man like to prevail and be the leader of interrelations. But it is also extremely important to have fun. It is doubtful that they will get it, if a woman does not have an active position with opposite sex. Lovely girl, be more proactive! Your initiative will be well paid back.

2. This error is the absolute opposite of the first. The case when a woman-partner is completely "on the wave" of her own senses, and does not notice the partner reactions. It is unacceptable! The ladies of easy virtue always care of women first, and that is the main reason why men prefer buying their services: because they know that escort lady will give all her attention to him, without exception.

3. Simulation of pleasant senses will not bring pleasant feelings to any of the partners. After all, a huge role in relationship is played by communication. Sex dating with Gia ladies perfectly present communication skills. Talk to your partner, tell him what situations or moments disturb you and you will feel a huge difference as the sex life will be more colorful.

4. 4. Sex - this is not a pastime, where you have to feel embarrassed or shy. When you have sex with your man, it means that he likes you, he is satisfied with you and even more. Therefore it is not necessary to turn off the light and chill, not to look pretty weird. All women of pleasure in Gia agency are never shy and do not turn off the light.
